

## Survey for the international day of languages

Note: German and English aren't listed, because all of the students at least learned the basics of these two languages.

### Comments:

- The most spoken language in the BRG is Latin with 161 out of 684 people (23,5%).
- The most frequently spoken language that you are not able to learn at the BRG is Bosnian (2,19%).
- Based on the data, more than half of the students (369 of 684) speak a Roman language.
